

Terms of Use

1. Acceptance of Terms

Welcome to QA Agent (the "Website"), a web-based application owned and operated by Pica Trebax Inc. ("QA Agent", "we", "us" or "our"). These Terms of Service ("Terms") bind you ("User", "you" or "your") when you use or access the Website or any of our services. If you do not agree to these Terms, do not use our Services.

We may modify these Terms from time to time. We will notify you by email or post the revisions on the Website. Your continued use of the Services after the effective date of any update constitutes your acceptance of the revised Terms.

2. How the Service Works

QA Agent provides a tool that allows users to submit a URL and receive an automated analysis of potential bugs and issues on that page. To use the Service, you must register an account. We reserve the right to restrict any Services only to registered users and to discontinue any feature at will.

3. Registration and Eligibility

To use the Service, you must create an account using a valid email address. Access is provided via a magic link sent to your email. You agree to supply accurate and complete information and to update it as needed. A registered user may not have more than one active account. We reserve the right to suspend or terminate your account for any reason.

4. Fees and Payment

The Service is available via a one-time purchase. When making a payment, you expressly authorize us or our third-party payment processor to charge such fees. We use Stripe as our third-party payment processor. Your payment information is encrypted and transmitted directly to Stripe. We do not store your credit card information and are not responsible for Stripe's collection or use of your payment data. You can find out more at <https://stripe.com/privacy>.

All fees paid are non-refundable unless otherwise required by applicable law.

5. Termination and Refund Policy

This Agreement shall continue until terminated by QA Agent or by you. You may cancel your account at any time by contacting us at qaagent@picatrebax.com.

QA Agent may deny you access to all or any part of the Services or terminate your account with or without prior notice if you engage in any conduct or activities that QA Agent determines, in its sole discretion, violate this Agreement or the rights of QA Agent or any third party, or is otherwise inappropriate.

Upon termination of your account for any reason, your right to use the Services and to access the site and any of its content will immediately cease. All provisions of this Agreement that by their nature should survive termination shall survive termination, including, without limitation, ownership provisions, warranty disclaimers, limitations of liability, and miscellaneous provisions.

All fees paid in connection with any Services are non-refundable, except as may be expressly required by applicable law.

6. Code of Conduct

While using our Services you agree not to:

- Submit URLs of websites you do not own or are not authorized to test.
- Use the Service for any unlawful purpose.
- Transmit any content that is unlawful, fraudulent, or otherwise objectionable.
- Transmit any software or materials that contain any virus, worm, or other harmful component.
- Modify, adapt, reverse engineer, decompile, or disassemble any portion of the Website or Services.

7. Proprietary Rights

The Website and Services contain copyrighted material, trademarks, and other proprietary information of QA Agent and its licensors. Except as expressly

permitted, you may not copy, modify, publish, transmit, distribute, or sell any such proprietary information.

8. Disclaimer of Warranties

The website and services are provided "as is" and "as available" without any representations or warranties of any kind, express or implied. We do not guarantee that bug reports are complete or error-free. Use of the service and any analysis results is at your sole risk.

In no event shall QA Agent, its officers, directors, agents, or affiliates be liable for any indirect, special, incidental, consequential, or punitive damages arising out of or in any way connected with the use of our services.
